Name:

Amuerfina T. Castro, MA, RN-BC

Age:

64

Home:

Piscataway, New Jersey

Nursing specialty:

Gerontology

Greatest accomplishment:

I am proudest of having raised three successful sons who can take pride in their mother's reputation as a respected nurse dedicated to serving the healthcare needs of the people in our community.

I am:

A nurse. A wife. A mother. A friend. A person who extends a helping hand to someone in need. I always aim for my best performance in anything I do and seek ways to continuously improve – and I expect others to do the same.

Inspirational quote:

Life is a continuous journey.

I support ANCC because:

I believe in its mission of improving the nursing profession and to promote high quality healthcare services through credentialing. I have also benefited from the diverse networking opportunities ANCC has provided in my career.

The American Nurses Credentialing Center (ANCC) provides individuals and organizations throughout the nursing profession with skill-building tools and opportunities to lead them forward on the path of excellence. Through its internationally renowned credentialing programs, ANCC certifies nurses in specialty practice areas, recognizes health care organizations for nursing excellence through the Magnet Recognition Program®, and accredits providers and approvers of continuing nursing education. ANCC also provides leading-edge information and educational services and products to support its core credentialing programs.
